### Message from Our Academic Coordinators

**Ms. Kuljit Kaur**  
(Sr. Coordinator)

It's a great honour for me to be a part of Darshan Academy, Dasuya. We place great emphasis on teachers being a living examples and models of the values they wish to inculcate in their students. The objective of our school is to provide an education that promotes science with spirituality and also the eternal values and practices of human unity, love, and peace.

**Mr. Harbhajan Singh**  
(Middle Coordinator)

It's a great privilege to write a message for our school. Darshan Academy is an excellent school that provides students with quality education and creates generations of peacemakers.

We innovate teaching methods to make learning fun, challenging and purposeful, and stress on overall development of students. They are encouraged to take on leadership roles to bring out their innate spiritual, moral and cultural abilities. These qualities would definitely help them to be good human beings, helpful members of community and good citizens of our country. I believe that through the education we provide, our children can discover their talents and prepare themselves to face new challenges of a rapidly changing world.

**Ms. Daljit Kaur**  
(Pre-Primary Coordinator)

Darshan Academy brings all round development of the personality of its students through quality education delivered by teachers of high caliber and total dedication.

**Ms. Mandeep Kaur**  
(Primary Coordinator)

Our students are growing and learning in a positive environment of Darshan Academy.

They are blooming under the shower of love and care of their hard working and dedicated teachers and head of the school. Here we provide excellent combination of good nurturing, care and academic focus. Students are growing with a kind heart and love for every living being around them.

### First Day After Vacations

After summer break, Darshan Academy welcomed little Darshanites with great zeal. Teachers of Jr. Wing wore the face mask of famous cartoons and students were choosing their favourite cartoon to accompany them to their classroom. Parents were also very happy and praised the idea of welcoming students. Junior Darshanites brought one balloon each (on which they had written "I Love My School") and tied it with school's gate. Teachers played ice-breaker games in classrooms to encourage the students for study.

### Thumb Printing

Printmaking allows children to try out lots of different techniques and to see cause and effects in action more dramatically than with simply painting or drawing. Printing with fingers tips and thumb is fun for kids. It is a wonderful sensory experience for them. This messy play stimulates their creativity and imagination and helps them in strengthening finger and hand muscles. To develop all these skills in our little learners, Darshan Academy Dasuya Jr. Wing conducted Tip and Thumb printing activities for class Nursery.

### Jigsaw Puzzle

Puzzles require our left (logical, analytical) and right (creative, intuitive) brains to work together. The act of picking up a piece and envisioning where it might go in the larger puzzle is like a trip to the mental gym. It requires neural connections between the two hemispheres and sped-up thought processes that improve short-term memory.

Darshan Academy Dasuya organized Jigsaw Puzzle game activity for their junior darshanites in different ways such as "Find My Friend" to match the things with their right pair for LKG, pattern fitting for fine motor skills for Nursery and "Brain gym" for UKG to enhance cognitive skills where students enjoyed with learning

### Teej Celebration

Teej refers to the monsoon festival. This festival celebrates the bounty of nature, arrival of clouds and rain, greenery and birds, rituals and customs. The festival includes dancing, singing, getting together with friends and telling stories, dressing up wearing red, yellow or green clothes.

Darshan Academy Dasuya celebrated Teej with all enthusiasm in the campus. Mothers of the students were specially invited for the same and they were all dressed in their ethnic attire and enjoyed on the decorated swings. They performed Gidha and enjoyed delicious cuisine. At the end Punjabi sabhyachar question round was organized to find Mrs. Teej. Various attractive pageant sashes were presented to them

### RAKSHA BANDHAN A BOND OF LOVE

Raksha Bandhan is a festival which celebrates the bond of a brother and sister. It is one of the most important festivals. Sisters and brothers wait eagerly for it all round the year. Our little Darshanites celebrated Rakhi in school where boys learned how to wrap gift for their lovely sisters and girls decorated their puja thali for Rakhi. To save their good memories best bhai behan poses were clicked.

### INDEPENDENCE DAY

आज़ादी का अमृतमहोत्सव

Like every year, this year also, staff and students of Darshan Academy, Dasuya celebrated Independence Day.

The sense of happiness could be clearly seen on the faces of all the people as India celebrated its 76th Independence Day on 15th August 2022.

A well planned cultural program was presented by the students which included songs, dances and acts etc.

### JANAMASHTAMI

Shree Krishna Janmotsav was celebrated by Darshan Academy Dasuya with great solemnity. This celebration brought devotion, recreation, entertainment and fun all together. The event was managed very well by the teachers. Students from classes Pre-nursery to UKG were dressed up as Krishna and Radha. Many events were arranged such as dahihandi, gopikaraas, fancy dress, dance etc. Atmosphere was filled with positivity and joy.

## Sand-Pit

Sandpit play comes with many benefits for toddlers and preschoolers too. They learn about the properties of sand by feeling, digging, patting and shaping it, playing with sand helps to develop their fine motor skills and it promotes creativity and imagination, amongst many other benefits. Today our little Darshanites searched English letters in sand, which helped students to develop their gross motor skills along with letters recognition.

## Musical Vibes

Let children enjoy their childhood. Our little Darshanites went to the music class and took a good musical experience. Where they enjoyed self-played tunes while wiggling their little fingers on piano and dholak. They were looking joyful while singing a song "Uthe sab ke kadam tara rum pum pum". They were snapping their fingers while singing and enjoying the class.

## Happy Teachers' Day

The relationship between a student and a teacher is like a potter and clay. The potter jiggers the clay to make sure there are no lumps and then models it into a beautiful art structure. Similarly, some teachers may be hard on us sometimes but at last, they only want us to become the best version of ourselves. To celebrate the efforts of our teachers, students planned to make this day memorable for them. Teachers' Day Celebrations program was organized in both the wings of the school. Many children came prepared with different performances for this event with the hope to bring a smile on their teachers' faces throughout the day. The day ended with a wonderful day out for all the teachers along with a wonderful Movie and Lunch.

## Learning by doing

Art integration and learning by doing help children with the development of motor skills, language skills, social skills, decision-making, risk-taking, and inventiveness. Visual arts teach learners about color, layout, perspective, and balance

## Love & Peace Packet

Darshan Academy Dasuya always encourages students to spread love and peace in society for their own inner peace. The students were guided to prepare some love and peace packets and share the same with their neighbours or some other needy persons on Birthday of our beloved spiritual master Sant Rajinder Singh Ji Maharaj. They were also guided to do the same on their own birthday.

All the students participated in this activity very enthusiastically.

## Mission Hariyali

In order to make Punjab greener than ever, the federation of all private schools of Punjab decided to celebrate mission Hariyali on 11th and 12th Sept 2022 under which the initiative was taken to plant 5 Lakh saplings across Punjab. The Staff and Students of Darshan Academy, Dasuya also participated in the mission.

The Guest of Honour for this program was Honourable MLA Dasuya S. Karamvir Singh Ghuman Ji, whose presence graced the event. He inaugurated the Hariyali Mission by planting a sapling at Darshan Academy Dasuya. Later more than 1000 saplings were planted by the staff and students in and around the campus. Students showed great eagerness in participating in the record-breaking plantation drive. They were told about the importance of each tree that was planted and were given simple instructions on how to take care of the same. The program achieved great success because of the coordination, cooperation and support of the parents, students and staff.

## PROUD PARENTS

**MRS. JATINDER KAUR**

The school is providing high education and healthy environment for our children. I myself experience a wonderful change in my children's performance. The lessons are taught in such a great way in school that my children don't need my help to do their homework. They are doing their homework on their own. I would like to thank teachers for bringing such an amazing change in my children. We as parents didn't find any difficulty to teach our wards. The teachers involve each and every student in all the activities. School celebrates national festivals and the religious festivals. I like that they not only motivate their students, but they motivate parents as well. I would like to recommend Darshan Academy to all for their children. If you are searching for a good school for your ward, your search ends now.

Thank you for instilling this love of learning into our child. It has been such a pleasure watching her grow this year. We are well aware of the efforts you put into each child in your school.

Teachers require so many positive qualities like care, compassion, patience and commitment. You have all these qualities in abundance. It's great to see how visible and accessible you are around the school. We need teachers who are available for discussions about our child, and we've found that in your school. Keep up the great work!

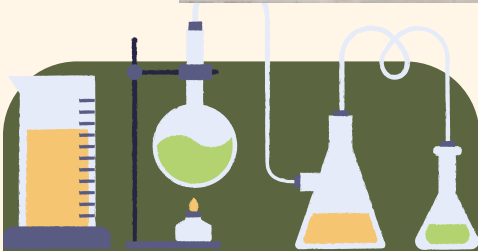

**MRS. NAVDEEP KAUR**

Hello, I am Navdeep Kaur mother of Japleen Kaur (4th class) and Parleen Kaur (UKG). They both study in Darshan Academy Dasuya. I feel very proud that I have admitted my kids in this school. My children are growing day by day in positive environment. I am very thankful to all the teachers for their hard work and care they provide to children. Not only they provide best education, but also provide spiritual education which is very important these days. Thanks to Darshan Academy to making them confident, good, peaceful and happy persons.
